Varsity Track & Field Coach 2019 Season

Holy Family High School is a Catholic, all-girls college preparatory school with a spiritual foundation that inspires a young woman to recognize her gifts, discover her voice, and find her purpose.

This is an immediate opening for the 2019 season and a walk-on position. Experience is required, but this would be an ideal position for a new coach with limited experience or an assistant looking to make the transition to the head coaching level. The ideal candidate will have a passion for all-girls education or at least the ability to support the athletic development of young women.

Please send resume, references, Virtus certification, and evidence of completed fingerprinting through the Archdiocese of Los Angeles to:

Mr. Greg Ziomek
